**Recruiting LANDINGS Facilitators**

“Landings” is an evangelization ministry that offers a “safe harbor” or “landing place” for returning Catholics to explore their faith and future with the Church. The ministry is founded on the belief that we do not have to be trained theologians to share what we believe and to speak honestly about our faith, trusting in the Holy Spirit. The key to Landings is *compassionate listening* by active Catholics. It’s a simple, gentle process, which proves as valuable for the welcoming Catholics as for those returning. Join us in starting this ministry here at St. Elizabeth’s of welcoming Catholics back into the church. Contact Bill or Barbara Gee at 990-8533 for further information.

**Notice:**

The Church office will be closed on Monday, September 6 in observance of the Labor Day holiday.

**Enjoy the Convenience of Electronic Giving**

**St. Elizabeth** wants to remind you that we offer electronic giving as a way to automate your regular weekly offering. Electronic giving offers convenience for individual congregation members and provides much-needed donation consistency for our congregation.

**Credit & Debit Card Giving** lets you make offerings automatically on a predetermined schedule using a credit or debit card.

"If abortion is bad for children, because it kills them and we find out because of good solid research that abortion is harming the mental or physical well-being of women and subsequently the fathers of those children as well as the members of their extended families—then at some point we will have to ask as a society, "If abortion is bad for all these people and causing all this damage, who is it good for ?" We all know the answer, "The abortion industry."
