“Our Father invites each of us to become immersed in the story of his Word, which includes great deeds, adventure, love betrayal, sacrifice, miracles, and much more... Most importantly, though, Scripture we are given a story in which we can meet God himself, come to know his infinite love for each of us, and respond to his invitation to enter into this epic tale.” Please join us and Tim Gray and Jeff Cavins to walk with God in a journey “Through the Bible, published through Ascension Press.

That's how many of your fellow parishioners we take communion to every Sunday. I honestly don't know who receives more satisfaction from this ministry, the parishioners or the ministers. It's an awesome ministry. If you can commit to a little over an hour after the 7:30 a.m. Mass, once per month, and you want to receive blessings, then check us out. You can ride with us one Sunday and see if it is for you. If it's not for you, no pressure to join but at least come out and see for yourself. Contact the Liturgical Minister located on the bulletin or reach out to Bill40170@sbcglobal.net Thanks for considering.

PRO-LIFE ACTIVITIES

Today active interventions of missions of basic care are proposed for ending the lives not only of the dying, but also patients suffering from a long-term cognitive disability, such as advanced dementia ... Some argue that patients who cannot consciously respond have lost their "human dignity." This view is dangerously wrong: Human beings never lose their dignity, that is, their inherent and inestimable worth as unique persons loved by God and created in His image. People can be denied respect affirming that dignity, but they never lose their God-given dignity.
